

July 29, 2013

Dear Parents:

The primary task of the School Site Council is to ensure that the school is continually engaged in identifying and implementing curriculum and instructional practices that result in both strengthening the core academic program and ensuring that students have access to and success in that program. The School Site Council is also responsible for continually updating and implementing the school plan and for the allocation of resources.

The McMillin School Site Council is comprised of six parents, four teachers, one classified employee and the Principal. Currently there are **4 Parent Council vacancies** with two-year terms.

The School Site Council meets once a month. Meeting dates and times will be agreed upon at the first meeting in August.

If you are interested in running for one of the School Site Council positions, please complete the **nomination form on the back** and **return to the school office, no later than Friday, August 9th, 2012**. Elections will take place the week of August 12th-16th. The newly elected parent representatives will begin their term of office at the August 2012 meeting.

Autobiographical sketches of each candidate will be on display in front of the office until after elections. Ballots to elect new School Site Council members will be sent home to all parents on Monday, August 12th and will be due in the school office no later than August 16th.

Please consider this a great opportunity to become involved with your child's education.

Jorge Mora
Principal

Statement of why you want to be a member of McMillin's School Site Council:

Brief autobiographical sketch:

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.

If you'd like, include a photograph with this form.
