Dear Parents/Guardians/Staff:

We were shocked and saddened to hear of the school shooting that took place earlier today in Uvalde, Texas. As parents and educators, we cannot begin to imagine the pain that families of the shooting victims are enduring at this time.

Chula Vista Elementary School District sends out our deepest condolences to the victims, their families, the school staff, and those impacted by this tragedy.

We continue to make the safety of our students, their families, and our staff the number one priority for our District. We are committed to continue assessing and strengthening our safety plans and procedures. In addition, we will continue working in partnership with local law enforcement agencies to provide safe and caring learning and teaching environments.

For those members of our schools who might need additional support at this moment, we want to encourage you to make use of our on-site counseling staff. These outstanding professionals are here to work with students and staff who may need assistance during this time.

Thank you for all you do to support your family, especially in moments like these. CVESD stands with you in caring for our school communities.

Sincerely,
